

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST02705AT

This certificate issued to BFGoodrich Aerospace
Lighting Systems Division
3445 South 5th Street
Phoenix, AZ 85040

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product--Type Certificate Number : A-817, A20EU
Make : Fokker
Model : F-27-100, F28-100

Description of Type Design Change: Installation of Goodrich Hella Aerospace Fixed Wingtip Navigation Lighting System in accordance with Goodrich Hella Aerospace Master Drawing List R-356-00 Rev. -, dated 28 November 2001 or later FAA approved revision.

Limitations and Conditions: "This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission."

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : March 26, 2001

Date reissued : September 30, 2011

Date of issuance : August 26, 2003

Date amended :

By direction of the Administrator
