

United States of America  
Department of Transportation -- Federal Aviation Administration  
**Supplemental Type Certificate**

*Number* SA03170AT

*This certificate issued to* Lowe Aviation Aircraft Maintenance  
1231 Coffman Rd.  
Sacramento, KY 42372

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Air Regulations.*

*Original Product - Type Certificate Number :* A-768  
*Make :* Cessna  
*Model :* 120 and 140

*Description of Type Design Change:* Installation of two (2) additional seat belt attach brackets on the cabin floor to provide for individual pilot/copilot restraint (instead of a single seat belt for both occupants) in accordance with Lowe Aviation Maintenance Installation Instructions, dated September 19, 2005, or later FAA approved revision.

*Limitations and Conditions:* The compatibility of this design change with other previously approved modifications must be determined by the installer. If the holder of this STC agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

*Date of application :* September 19, 2005

*Date reissued :*

*Date of issuance :* September 21, 2005

*Date amended :*

*By direction of the Administrator*
