Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number **SA02321AK**

This Certificate issued to X-Winds S.T.O.L., Inc.
P.O. Box 298783
Wasilla, AK 99629

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number: **See Approved Model List (AML) No. SA02321AK Revision Original, dated August 29, 2008, or later FAA approved revision**
Make:
Model:

Description of Type Design Change:

Installation of EDO 89-2000 floats modified in accordance with STC SQ02320AK. The installation of one welded aluminum structure embedded in a cast urethane "waterwing" on each float is approved by STC SQ02320AK.

Limitations and Conditions:

1. For Instructions for Continued Airworthiness refer to X-Winds S.T.O.L., Inc. Document Number WW-011, dated August 25, 2008, Rev. A, or later FAA approved revision.
2. If the holder agrees to permit another person to use this Certificate to alter the product, the holder shall give the other person written evidence of that permission.
3. The installer must determine whether this design change is compatible with previously approved modifications.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 3, 2008

Date reissued:

Date of issuance: August 29, 2008

Date amended:

By direction of the Administrator
