

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA235AL

This Certificate issued to Airglas, Inc.
3500 O'Malley Rd
Anchorage, AK 99507

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number: 1A8
Make: Helio
Model: H391B, H395, and H395A

Description of Type Design Change:

Installation of modified shock oleo strut per Airglas Engineering Co., Inc. drawing AGOM-501.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those previously approved modifications will introduce no adverse effect on the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration

Date of application: December 20, 1966

Date reissued: August 14, 2012

Date of issuance: April 28, 1967

Date amended:

By direction of the Administrator
