

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR09218RC

This certificate issued to Apical Industries, Inc.
2608 Temple Heights Drive
Oceanside, CA 92056

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 7 of the Civil Air Regulations.

Original Product -- Type Certificate Number: 1H15
Make: Sikorsky
Model: S-61N, S/N's 61471, 61257, 61808

Description of Type Design Change:

Installation of a fuel jettison system in accordance with Era Master Drawing List S6128-1000, Revision IR dated 12/8/98, or later FAA approved revision.

Limitations and Conditions:

Descriptive data pertaining to this design change is considered inadequate for duplication in other products. This limitation is limited to the installation made in the Sikorsky S-61N, S/N's 61471, 61257, and 61808 only. Rotorcraft Flight Manual dated July 8, 1999, or later FAA approved revision is required. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 01, 1998

Date reissued: 5/20/05; 12/29/06

Date of issuance: July 08, 1999

Date amended:

By direction of the Administrator
