

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA02294AK

This Certificate issued to Dakota Cub Aircraft, Inc. - Mark Erickson

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number: 1A2
Make: Piper
Model: All PA-18 series and PA-19 series

Description of Type Design Change:

Installation of a fuselage cowl (boot cowl) battery box system, in accordance with Dakota Cub Aircraft, Inc., Master Drawing List MDL-01, Revision Org, dated August 3, 2007, or later FAA approved revision.

Limitations and Conditions:

- 1) Compatibility of this design change with previously approved modifications must be determined by the installer.
- 2) For instructions for continued airworthiness, refer to Dakota Cub Aircraft, Inc., "Instructions for Continued Airworthiness for Battery Box / Solenoid Bracket", Revision-Original, dated 4/11/2007.
- 3) If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: March 15, 2004

Date reissued:

Date of issuance: August 3, 2007

Date amended:
