Supplemental Type Certificate

Number SA3358NM

This certificate issued to Coleman T. Wagner
323 1st Ave. E.
P.O. Box 3
Clark, SD 57225

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 4(a) of the Civil Air Regulations.

Original Product--Type Certificate Number : * (see attached FAA Approved Master Eligibility List

Make : (MEL) No. SA3358NM for list of approved models

Model : and applicable airworthiness regulations)

Description of Type Design Change:

Production of aircraft wing ribs as specified in William N. Kutner "Report #1 STC request for Wing Ribs." The aircraft models this document applies to are listed on the attached Master Eligibility List SA3358NM.

Limitations and Conditions :

- 1) Compatibility of this design change with previously approved modifications must be determined by the installer.
- 2) A copy of this certificate or later FAA approved revision must be maintained as part of the permanent records for the modified aircraft.
- 3) If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : January 3, 1986

Date reissued : February 6, 1992, December 5, 2008

Date of issuance : April 25, 1986

Date amended :

By direction of the Administrator
