# Supplemental Type Certificate

*Number* SA01062SE

*This certificate, issued to*

**DeLuca of California, Inc.  
50010 Main St., P.O. Box 727  
Cabazon, CA 92230**

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.*

*Original Product—Type Certificate Number:* A-782  
*Make:* Navion  
*Model:* Navion(L-17A), Navion A(L-17B), and (L-17C)

*Description of the Type Design Change:* Install structural reinforcement for increased engine weight and provisions for increased gross weight in accordance with DeLuca of California, Inc., Drawing List 143-31001-700DOC Revision New, dated September 26, 2000, and Installation instructions, EO 143-31001-7DOC Revision New, dated December 13, 2000, or later FAA approved revision.

**Note:** TCDS A-782, Note 6 requires that the structural improvements identified as 143-3100-700 be installed for engines of greater than 250 HP. This kit provides an equivalent capability.

*Limitations and Conditions:* Additional modification must be made to the aircraft before an increased gross weight can be FAA approved. Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

*Date of application:* December 13, 2000

*Date reissued:*

*Date of issuance:* March 11, 2002

*Date amended:*

*By direction of the Administrator*
