Supplemental Type Certificate

This certificate has been reissued to replace the original certificate reported as lost.

Number SA3015WE

This Certificate issued to United Aeronautical Corporation
7360 Laurel Canyon Blvd.
North Hollywood, California 91605

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations.
Dated 7/20/50.

Original Product Type Certificate Number: 4A10

Make: The Boeing Company

Model: DC-7, 7B & 7C

Description of Type Design Change: Installation of LH and RH upper viewing windows above side cockpit windows in accordance with FAA sealed Aero Union Drawing List No. 3200 dated April 22, 1975, or later FAA sealed revision and airplane flight manual supplement dated June 17, 1975.

Limitations and Conditions: The approval of this change in type design applies basically to DC-7, 7B and 7C aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
