Department of Transportation Federal Aviation Administration
Supplemental Type Certificate

Number **SH1765NM**

This certificate, issued to:

**Simplex Manufacturing Company
13340 NE Whitaker Way
Portland, OR 97230**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product—Type Certificate Number: 4H12
Make: Hughes Helicopters
Model: 269 Series

Description of the Type Design Change: Installation of a Simplex Manufacturing Company Model 5200 Spray System in accordance with Simplex Top Drawing List, Model 5200.

Limitations and Conditions: Approval of this change in type design applies to the above model helicopter only. This approval should not be extended to helicopters of this model on which other previously approved modifications are incorporated, unless it is determined that the relationship between this change and any other of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that helicopter.

A copy of this Certificate and Rotorcraft Flight manual Supplement shall be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 05, 1982
Date of issuance: March 03, 1983

Date reissued:
Date amended:

By direction of the Administrator
