

Supplemental Type Certificate

Number SA4-1069

This Certificate issued to Southwestern Aero Exchange, Inc.
18502 East 108th Street North
Owasso, OK 74055-8124

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part CAR 3 of the Civil Air Regulations.

Original Product Type Certificate Number : A-765, A-2-582, A-757

Make : BEECH

Model : C18, D18, C45, AT7 or AT11

Description of Type Design Change: Remove original Arena controls and lock mechanism for left and right cowl flaps up to lever Beech P/N 189521 and replace with electrical actuators, control switches indicator as per drawing No. CF-6015 Revision "A", Paragon Tool Die & Engineering.

Limitations and Conditions: This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 24, 1959

Date reissued: Jan. 23, 1998; May 1, 2006

Date of issuance: March 4, 1960

Date amended:

By direction of the Administrator
