

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR09237RC

This certificate issued to Acrohelipro Global Services Inc.
#101B, 597-206A Street
Langley, British Columbia,
Canada, V3A 8MI

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 7 of the Civil Air Regulations.

Original Product -- Type Certificate Number: 1H15
Make: Sikorsky
Model: S-61L/N

Description of Type Design Change:

Installation of SFENA 904 Standby Attitude Indicator in accordance with Master Drawing List ACRO 61-34-00-101, Rev. NC dated January 28, 1999, or later FAA approved revision.

Limitations and Conditions:

This STC must be used in conjunction with Rotorcraft Flight Manual FMS ACRO 61-34-25-303, Rev NC, revision original, dated March 10, 2000, or later FAA approved revision. Compatibility of this modification with previously installed equipment must be determined by installer. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 10, 1998

Date reissued: February 17, 2005

Date of issuance: March 10, 2000

Date amended:

By direction of the Administrator
