Supplemental Type Certificate

Number SA00469NY

This certificate issued to

Alpine Aviation, LLC
52 Fig Tree Road
Midway, GA 31320

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product -- *Type Certificate Number:* A-777, 3A15
Make: Beech Aircraft Corporation
Model: 33 series, 35 series and 36 series

Description of Type Design Change: Installation of Main Landing Gear Auxiliary Landing Lights in accordance with Alpine Aviation, Inc. Installation Manual, Report No. 014, dated June 14, 1996 or later FAA approved revision.

Limitations and Conditions:

1. FAA approved Alpine Aviation, Inc. Airplane Flight Manual Supplement for Beechcraft Model 33 series, 35 series and 36 series with Main Landing Gear Auxiliary Landing Lights, dated August 19, 1998 or later FAA approved revision is a required part of this STC.
2. Alpine Aviation, Inc. Maintenance Manual Supplement, dated July 15, 1996 or later FAA approved revision is a required part of this STC.
3. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
4. Compatibility of this design change with previously approved modifications must be determined by the installer.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 19, 1995

Date received: December 18, 2013

Date of issuance: August 19, 1996

Date amended:

By direction of the Administrator
