Original Product-Type Certificate Number

* (see attached FAA Approved Model

Make:

List (AML) No. SA03275CH for list of

Model:

Approved models and applicable airworthiness regulations)

Description of Type Design Change:

Installation of an antiskid brake system, in accordance with installation instructions specified on FAA Approved Model List (AML) No. SA03275CH.

Limitations and Conditions:

1. Compatibility of the design change with previously approved modifications must be determined by the installer.
2. For EA500 aircraft, installation of the NG 2.5 avionics suite is a prerequisite for and must be installed with this approval.
3. For B300/B300C aircraft, installation of a Collins Pro Line GPS-4000S or Garmin 400W/500W series GPS or Garmin G1000 with GIA63W is a prerequisite for and must be installed with this approval
4. The FAA has not evaluated this system for reducing the landing distance of aircraft.
5. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
