Supplemental Type Certificate

Number SH1047CE

This certificate issued to Kinzie Industries, Inc.
115 Cheesman St.
Erie, CO 80516

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product -- Type Certificate Number: 4H12
Make: Schweizer Aircraft Corporation
Model: 269A and B

Description of Type Design Change: Install modified landing gear damper in accordance with FAA Approved copy of Milair Drawing List No. 269A and subordinate data.

Limitations and Conditions: This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. Parts manufactured under this STC may have been produced without an FAA approved quality control procedure. Prior to installation, such parts must be inspected for conformity and airworthiness in accordance with FAR's 21 and 43. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation

Date of application : July 30, 1974

Date reissued : 10/7/74; February 2, 2010

Date of issuance : August 15, 1974

Date amended :

Administration.
