Index Number	Name of Reviewer	Page & Paragraph	Comment	Rationale for Comment	Recommendation	Disposition
1	J. Ramos ANM-130L/ Dean Thompson ANM-130S	Page 2 & Paragraph "d"	RTCA/DO-160F referenced in this TSO is outdated.	The latest version RTCA/DO-160G has been released and accepted as the new Environmental Conditions and Test Procedures for Airborne Equipment.	TSO should require the use of the latest version of RTCA/DO-160G.	Accepted.
2	Tony Pigott ANE-150		Please coordinate release of TSO-C119e with release of AC 20-151C.			Accepted. AC 20-151C is undergoing management review at this time. TSO-C119e and AC-20-151C are scheduled for sequential publication with the TSO being first.
