Supplemental Type Certificate

Number SR01210NM

This certificate, issued to **Aerometals**
3920 Sandstone Drive
El Dorado Hills, CA 95762

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product—Type Certificate Number: H3WE
Make: MD Helicopters Inc (MDHI)
Model: 369D

Description of the Type Design Change: Fabrication of AMC AM369D23670 horizontal stabilizer tip plates in accordance with AMC Master Drawing List No. AMC-004, Revision C, dated March 25, 2003, or later Federal Aviation Administration (FAA) approved revision. The tip plates must be installed in accordance with AMC Installation Instructions MI-02001, Revision IR, dated November 6, 2002, or later FAA approved revision

Limitations and Conditions: Approval of this change in type design applies to the rotorcraft model listed above only. This approval should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this Certificate must be maintained as part of the permanent record of the modified rotorcraft. This is a direct replacement part, and the FAA has determined that no Instructions for Continued Airworthiness are required.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 5, 2002

Date reissued: March 1, 2005

Date of issuance: May 9, 2003

Date amended:

By direction of the Administrator
