

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA00855WI-D

This certificate issued to:

Hawker Beechcraft Services
1980 Airport Road
Wichita, KS 67209

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product - Type Certificate Number: A24CE

Make: Raytheon Aircraft Company

Model: 1900D

Description of Type Design Change: Installation of the Honeywell Mark VI Enhanced Ground Proximity Warning System. Required Data: (1) Master Drawing List No. 159-08250-6001, Revision A, dated February 22, 2000; and (2) Airplane Flight Manual Supplement No. 006-00875-0001, Revision --, dated February 25, 2000. Later FAA approved revisions to the above listed data are incorporated without further revision to this Supplemental Type Certificate.

Limitations and Conditions: This approval should not be extended to other specific aircraft of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 19, 2000

Date reissued: February 28, 2000; March 26, 2007;
August 11, 2010

Date of issuance: February 25, 2000

Date amended:

By direction of the Administrator
