

United States of America
 Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA2715NM

This certificate, issued to Intermountain Design, Inc.
 2190 South 3270 West
 Salt Lake City, Utah 84119

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product — Type Certificate Number: A20WE

Make: Boeing

Model: 747-100 Series, 747-200B Series, 747SP Series

Description of Type Design Change:

Installation of a Zone "A" centerpiece stowage unit assembly in accordance with Intermountain Design, Inc., Drawing List RIDA-1000-1, revision D, FAA approved dated August 9, 1985 or later FAA approved revision.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modification will introduce no adverse effect upon the airworthiness of the airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 10, 1985

Date reissued:

Date of issuance: August 12, 1985

Date amended:
