Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR00095AT

This certificate issued to

Bell Helicopter Textron, Inc.
441 Industrial Park Road
Piney Flats, TN 37686

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product -- Type Certificate Number: H2SW
Make: Bell Helicopter Textron Canada Limited
Model: 206A, B, L, L-1, L-3, L-4

Description of Type Design Change:

Replace existing door locks and fuel caps with new door locks and locking fuel caps in accordance with Aeronautical Accessories, Inc. Installation Instructions, Report No. AA-92103, Rev. B, dated November 23, 1994, and Report No. AA-94087, N/C, dated November 23, 1994, respectively, or later FAA Approved revisions.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : June 19, 1992

Date reissued : February 16, 2012

Date of issuance : February 03, 1993

Date amended : January 04, 1995

By direction of the Administrator
