SA1953CE-D

This certificate, issued to Boeing Military Airplane Company
P. O. Box 7730
Wichita, Kansas 67277-7730

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Aviation Regulations.

Original Product — Type Certificate Number: A3WE
Make: Boeing
Model: 727-30

Description of Type Design Change: Installation of Executive Type Interior, Avionics and Electrical Provisions for Air Force use in accordance with Boeing Drawing List Document D3-8857, Section III, Appendix 20, Revision BS.

Limitations and Conditions: Boeing Military Airplane Company FAA approved Flight Manual Supplement dated 10 December 1984 is required. This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the inter-relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. Installation of additional equipment for the provisions only and
