Supplemental Type Certificate

Number SA1213SW

This certificate issued to JSF Aviation Services, Inc.
4680 Glenn Curtiss Drive
Addison, Texas 75001-3243

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified herein meets the airworthiness requirements of Part 10 (CAR 4b) of the Civil Air Regulations.

Original Product-Type Certificate Number: A7EU
Make: Dassault
Model: Fan Jet Falcon and Fan Jet Falcon Series C, D, E and F

Description of Type Design Change: Alteration for battery charging from ground power unit according to Drawing 17153-4182 dated 10/6/70 and Drawing 2234-4182 dated 10/5/70.

Limitations and Conditions: This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effects upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 15, 1970

Date reissued: January 24, 1975; May 5, 2009

Date of issuance: November 9, 1970

Date amended:

By direction of the Administrator
