Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA1000GL

This certificate issued to WACO Classic Aircraft Corporation
15955 South Airport Rd.
Battle Creek, MI 49015

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Aeronautics Bulletin No. 7A Regulations (See Type Certificate Data Sheet Number ATC 542 for the complete certification basis).

Original Product--Type Certificate Number : ATC 542

Make: WACO
Model: YMF

Description of Type Design Change:

Modify the WACO YMF to a Classic "WACO F5" or "WACO F5C" configuration according to Classic Drawing Number CAC-F5, Revision G, dated April 26, 2010, or later FAA approved revisions.

This airplane is eligible for glider and banner towing operations when modified according to this STC and Classic Drawing 50135, Revision B, dated July 29, 1993, or later FAA approved revisions.

Limitations and Conditions:

1. The installer must determine whether this design change is compatible with previously approved modifications.
2. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.
3. Any substitutions of parts or materials must be FAA approved.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
