

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number **ST02207NY**

This certificate issued to

Mr. David Schober
10919 Greenvalley Road
Union Bridge, MD 21791

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Aviation Regulations.

Original Product -- Type Certificate Number: 5A6

Make: Cessna

Model: 180

Description of Type Design Change:

Installation of a Teledine Continental O-470-K Engine and associated inlet and exhaust components and cowling in accordance with David Schober drawing "Modification of N10GC cowl and engine installation, Installation Instructions, and Instructions for Continued Airworthiness," dated November 11, 2005

Limitations and Conditions:

Descriptive data pertaining to this design change are considered inadequate for duplication in other products. This approval is limited to only the installation made in Cessna, Model 180, Serial Number 30159. This STC does not permit manufacturing of parts for multiple installations.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 11, 2005

Date reissued:

Date of issuance: January 20, 2006

Date amended:

By direction of the Administrator
