

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST03339CH

This certificate issued to AeroDesign Services and Engineering
501 N Reese St
South Lyon, MI 48178

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See Type Certificate Data Sheet No. A1NM and page 3 for complete Certification Basis)

Original Product--Type Certificate Number : A1NM
Make : Boeing
Model : 767-300 Series

Description of Type Design Change:

Modify the aircraft interior to match one of two standard passenger configurations, in accordance with AeroDesign Services and Engineering Master Data List Document number ADS252012-DL-01, Rev IR dated March 15th, 2014, or later FAA approved revision levels.

Limitations and Conditions:

- 1) The installer must determine whether this design change is compatible with previously approved modifications.
- 2) A copy of this certificate or later FAA approved revision must be maintained as part of the permanent records for the modified aircraft.
- 3) The FAA Approved Airplane Flight Manual Supplement, dated May 16, 2014 or later FAA approved revisions, is required for this modification.
- 4) If the holder agrees to permit another person to use this certificate to alter the product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : December 1, 2012

Date reissued :

Date of issuance : May 15, 2014

Date amended :
