Supplemental Type Certificate

Number ST00737SE

This certificate, issued to **Raisbeck Commercial Air Group, Inc.
4411 South Ryan Way
Seattle, WA 98178**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations.

Original Product—Type Certificate Number: A3WE
Make: Boeing
Model: 727-100 and 727-200

Description of the Type Design Change: Modification of Boeing Model 727-100 and 727-200 series airplanes accomplished in accordance with Raisbeck Commercial Air Group, Inc., Master Drawing List 99B-1000, Revision A, dated August 30, 1999, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies specifically to the airplane models listed above. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of these other previously approved modifications, including changes in type design, will introduce no adverse effects upon the airworthiness of that aircraft, nor change the certification status under Part 36. A copy of this certificate and the FAA Approved Airplane Flight Manual Supplement shall be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

(See Continuation Sheet Page 3 for additional Limitations and Conditions)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
