19810 North 7th Avenue
Phoenix, AZ 85027

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *(For Certification basis see Type Certificate Data Sheet A2NM.)*

Original Product Type Certificate Number : A2NM

Make : Boeing

Model : B757-200/200-PF/200-CB

Description of Type Design Change: Installation of Honeywell Traffic Alert and Collision Avoidance System (TCAS II) in accordance with FAA approved Honeywell Master Data List Number ML4070373, Revision "F", dated July 24, 1990, or later FAA approved revision.

Honeywell Inc, Flight Manual Supplement Document No. 5140-0885, FAA approved on July 14, 1990, or later approved revision is required as part of this Installation.

Limitations and Conditions. This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. See also specific appendices for additional limitations. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : July 24, 1989

Date reissued : February 28, 2002

Date of issuance : February 7, 1990

Date amended : July 24, 1990

By direction of the Administrator
