Number SA00738DE

This certificate issued to **Straight Flight, Inc.**
13251 East Control Tower Road
Centennial, CO 80112

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation*

Regulations. *(For certification basis T.C. Data Sheet A4CE, it was determined that there is no acoustical change in accordance with § 21.93(b)(3)(iii) as a result of this modification)

Original Product - Type Certificate Number.: A4CE

Make.: Cessna Aircraft Company

Model.: 206H, T206H

Description of Type Design Change:

Installation of an Aft Fuselage Camera Portal in accordance with FAA approved Master Drawing List, Document No. 5944-MDL-001 Revision "A", dated May 16, 2012 or later FAA approved revision.

A copy of this certificate and FAA approved Airplane Flight Manual Supplement, Document 5944-806, Revision IR, dated April 26, 2012 or later FAA approved revision for the Camera Portal Door installation must be maintained as part of the permanent records of the modified aircraft.

Instructions for Continued Airworthiness, Document 5944-805 entitled: "Instructions for Continued Airworthiness Aft Camera Portal Modification Cessna Model 206H/T206H Aircraft", Revision A, dated July 16, 2012, or later FAA accepted revision is required for this installation.

Limitations and Conditions:

1. Compatibility of this design change with previously approved modifications must be determined by the installer.
2. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of the permission.
3. The FAA has not certified the camera or equipment for which these provisions are intended. Additional FAA approval to install any equipment is required. The FAA must evaluate the installations to ensure it complies with the applicable airworthiness standards.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 19, 2011

Date reissued:

Date of issuance: August 3, 2012

Date amended.:

By direction of the Administrator
