

Department of Transportation—Federal Aviation Administration
Supplemental Type Certificate

Number SA2573CE

This certificate, issued to Central Airlines, Inc.
 Downtown Municipal Airport
 411 Lou Holland Drive
 Kansas City, MO 64116

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Aviation Regulations effective May 15, 1956, plus amendments listed in the Type Certificate Data Sheet.

Original Product—Type Certificate Number: 6A1
Make: Gulfstream
Model: 500-B, 500-S, 500-U

Description of Type Design Change: Install wing and tail leading edge anti-icing shoes per Central Airlines Drawing List Number CAD 01, stamped "FAA Approved" January 18, 1990, or later.

Limitations and Conditions: 1. Airplane Flight Manual Supplement dated January 18, 1990, or later "FAA Approved" revision required. 2. This approval should not be extended to other specific airplanes of these models on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 15, 1989

Date issued:

Date of issuance: January 18, 1990

Date amended: May 7, 1992

By direction of the Administrator
