

Number SA3902NM

This Certificate issued to Hollingsead International
7416 Hollister Avenue
Goleta, CA 93117

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.*
*(For certification basis see Type Certificate Data Sheet A2NM.)

Original Product Type Certificate Number A2NM

Make: Boeing

Model: 757-2M6 S/N 23454

Description of Type Design Change: Installation of Executive Interior on Royal Brunei 757-2M6 Aircraft, Serial Number 23454, in accordance with FAA approved Index List IL-220, Revision "B", dated December 3, 1987.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this change and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. A mixture of this interior configuration and that of the previous is not allowed. This approval is limited to the installation made in Boeing Aircraft Company Model 757-2M6, Serial Number 23454 only. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 5, 1987

Date reissued: August 12, 1991; July 11, 1995;
March 15, 1996; April 1, 1998; August 1, 2005

Date of issuance: December 9, 1987

Date amended:

By direction of the Administrator
