Supplemental Type Certificate

Number ST03055AT

This certificate issued to Phoenix Air
100 Phoenix Air Drive SW
Cartersville, GA 30120

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4B of the Civil Air Regulations.

Original Product - Type Certificate Number: 1A17
Make: Gulfstream Aerospace Corp.
Model: G-159

Description of Type Design Change: Installation of either a Single or Dual Sandel Model 3400 TAWS with RMI System in accordance with DC Aerospace Master Data List MDL-2372, Revision B, dated February 19, 2005, or later FAA Approved Revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. This STC must be accompanied by Airplane Flight Manual Supplement dated March 7, 2005.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 07, 2004

Date reissued: June 22, 2006

Date of issuance: March 07, 2005

Date amended:

By direction of the Administrator
