

United States of America
 Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA2768NM

This certificate, issued to Heliarc Welding Service, Inc.
 P. O. Box 38509
 3965 Newport Street
 Denver, Colorado 80238

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product — Type Certificate Number: A16CE
Make: Cessna
Model: T207, T207A (through 1984 model year)

Description of Type Design Change:

Installation of replacement left exhaust heat exchanger unit in accordance with Heliarc Welding Service Drawing List No. 5 dated September 12, 1986; FAA approved January 12, 1987, or later FAA approved revision.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 15, 1986

Date reissued:

Date of issuance: January 12, 1987

Date amended:

By direction of the Administrator
