Supplemental Type Certificate

Number SA01228SE

This certificate, issued to **American Airmotive, Inc.**
3025 Eldridge Ave.
Bellingham, WA 98225

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product—Type Certificate Number: A-806
Make: deHavilland Inc.
Model: DHC-2 Mk. I

Description of the Type Design Change: Installation of an extended radial engine mount in a deHavilland DHC-2 Mk. I in accordance with American Airmotive, Inc. Installation Instructions VT-AA1070-12, Revision IR, dated February 12, 2003 and Master Drawing List MDL VT-AA1070-90, Revision A, dated June 5, 2003, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. This installation is limited to Type Certificated aircraft (wheels and floats) and aircraft modified with STC# SA00857NY, AWT Wing and STC# SA01109NY, EDO 679-4930 Floats. A copy of this Certificate and the FAA approved Maintenance Manual Supplement for deHavilland Aircraft Model DHC-2 Beaver Airplane, VT-AA1070-12, Revision IR, dated June 24, 2003, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until sur-rendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 5, 2001

Date reissued:

Date of issuance: June 24, 2003

Date amended: May 9, 2005

By direction of the Administrator
