		Falcon 2000EX								

General Notes:

- In addition to the above listed aircraft models, there are several commercial designations listed on Type Certificates that are derivatives of approved models. All commercial designations are eligible for this STC.
- The Concorde main battery connector, P/N 4000, is a direct replacement for the original main battery connector P/N BD6-3 manufactured by ELCON and P/N PGAPM2SVOP20 manufactured by Carrier Kheops Bac.
