

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA152NW

This certificate, issued to R. J. Schroers

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product — Type Certificate Number: *See attached Master Eligibility List (MEL)
Make: Number SA152NW for list approved airplane models and applicable airworthiness regulations.
Model:

Description of Type Design Change:

Installation of deck and glare shield (with and without instrument lights) in accordance with R. J. Schroers Aircraft Drawing List Number 004 and Installation Instructions Report Number 4000.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Master Eligibility List Number SA152NW shall be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 24, 1974

Date issued:

Date of issuance: January 13, 1975

Date amended: May 21, 1981

By direction of the Administrator
Charles C. Schroeder

(Signature)
Acting Chief, Seattle Area Aircraft
Certification Office

(Title)

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.

This certificate may be transferred in accordance with FAR 21.47.
