Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA09169AC

This Certificate issued to M7 Aerospace LLC
10823 NE Entrance Road
San Antonio, TX 78216

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A18SW
Make: Fairchild
Model: SA227-CC, -DC

Description of Type Design Change:

Installation of Concorde RG390ES Sealed Lead-Acid Batteries in accordance with Aerodesign Aircraft Engineering, Inc. Master Drawing List No. 1331-10, Revision D, dated July 12, 1995, or later FAA approved revision.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission. An FAA approved Flight Manual Supplement, dated August 11, 1995, or later FAA approved revision is required.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 14, 1995

Date reissued: 3/15/02; 8/23/02; 6/6/03;
4/26/12

Date of issuance: August 11, 1995

Date amended:

By direction of the Administrator
