

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA2887SO

This certificate issued to:

Hawker Beechcraft Corporation
9709 E. Central
Wichita, KS 67206

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number: A16SW

Make: Beechcraft

Model: 400A

Description of Type Design Change: Installation of access panels for the environmental control system in accordance with Hangar One, Inc. Master Drawing No. MDL-HOF03990, dated February 8, 1990, or later FAA approved revision.

Limitations and Conditions: Compatibility of this design change with previously approved modifications must be determined by the installer. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 21, 1990

Date reissued: January 25, 1991; April 15, 1996;
March 26, 2007

Date of issuance: December 11, 1990

Date amended: January 17, 1991

By direction of the Administrator
