Original Product - - Type Certificate Number : (see attached FAA Approved Model
Make : List (AML) No. SA01917CH for list of
Model : Approved models and applicable airworthiness regulations)

Description of Type Design Change:

Install Air Ambulance Conversion in accordance with the Aero Medical Products Mfg., Inc. Installation Drawing List Report 006-I as listed on AML SA01917CH, amended December 22, 2009, or later FAA Approved revisions.

Limitations and Conditions: 1. A copy of this Certificate and FAA Approved Model List (AML) No. SA01917CH, amended December 22, 2009, or later approved revisions, must be maintained as part of the permanent records for the modified aircraft. 2. FAA Approved Aircraft Flight Manual Supplement dated December 4, 2003, or later FAA approved revisions required. 3. Prior to the first flight of each modified aircraft, and after each change to any of the Communication, Navigational, or Med Pack equipment, a ground EMI test must be conducted in accordance to EA Form 173, dated November 15, 1993. A copy of EA Form 173 must be kept with the aircraft records. 4. FAA Approved Aircraft Maintenance Manual Supplement dated December 22, 2009, or later FAA approved revisions required. 5. The installer must determine whether this design change is compatible with previously approved modifications. 6. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
