Supplemental Type Certificate

Number: SA09839AC

This certificate issued to: Intercontinental Jet Services, Corporation (IJSC)
3322 N. 74th E. Avenue, Hangar 27
Tulsa, OK 74115

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product – Type Certificate Number:

Make: Mitsubishi Heavy Industries, Ltd.

Model:

See AML SA09839AC for type certificate number and model eligibility.

Description of Type Design Change:

Replacement of analog primary cockpit indicators with the Sagem Integrated Cockpit Display System (ICDS) and installation of dual ADAHRS with standby instruments in accordance with Master Data List: 001-3400-L01-00, rev: 1.0 or later FAA approved revision. FAA Approved Flight Manual Supplement , IJSC-3400-A01-00, Rev: IR or later FAA approved revision must be attached to the FAA approved flight manual when this modification is installed. Instructions for Continued Airworthiness (ICA), 001-3400-C01-00, rev: 3.0 or Later FAA approved revision are a require part of this modification.

Limitations and Conditions:

- 1) Compatibility of this design change with previously approved modifications must be determined by the installer.
- 2) If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
- 3) This modification is only applicable to aircraft with the M4D autopilot system installed.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, and revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of Application: March 17, 2008

Date Reissued:

Date of Issuance: March 13, 2015

Title Acting Manager, Airplane Certification Office

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
