

Supplemental Type Certificate

Number SR00730SE*This certificate, issued to***Simplex Manufacturing Company
13340 NE Whitaker Way
Portland, OR 97230**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 29 of the Federal Aviation Regulations.

<i>Original Product—Type Certificate Number:</i>	H79EU
<i>Make:</i>	Agusta
<i>Model:</i>	AB412 and AB412 EP

Description of the Type Design Change: Fabrication of Simplex Model 304 Fire Attack System in accordance with Simplex Master Drawing List MDL 304, Revision T, dated June 11, 2013, or later Federal Aviation Administration (FAA) approved List revision; and installation in accordance with Simplex Installation Manual 304-102 002-001, Revision K, dated June 25, 2013, or later FAA-approved revision.

Limitations and Conditions: Approval of this change in type design applies to the rotorcraft listed above only, equipped with an FAA-approved high skid landing gear system. This approval should not be extended to other rotorcraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft.

This modification must be maintained in accordance with Simplex Maintenance Manual 304-102 005-001, Revision F, dated August 8, 2012, or later FAA-approved revision, and operated in accordance with Rotorcraft Flight Manual Supplement (RFMS) 304-102 003-002AB, Revision F, dated July 12, 2013, or later FAA-approved revision.

A copy of this Certificate, the Maintenance Manual, and the RFMS must be maintained as part of the permanent records of the modified rotorcraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 1, 1999
Date of issuance: September 3, 1999

Date reissued:
Date amended: 2/13/04; 7/24/09; 8/18/09; 9/30/13
