Supplemental Type Certificate

Number SA01598AT

This certificate issued to Lowe Aviation Aircraft Maintenance
1231 Coffman Road
Sacramento, KY 42372

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 01a of the Civil Air Regulations.

Original Product – Type Certificate Number: 3A19
Make: Textron Aviation Inc. (Cessna)
Model: 150, 150A, 150B, 150C, 150D, and 150E

Description of Type Design Change: Conversion from tricycle landing gear arrangement to conventional landing gear arrangement in accordance with Lowe Aviation Aircraft Maintenance, “Conversion Procedure for Installation of Cessna 140 Conventional Landing Gear on Cessna 150 Aircraft,” Control Number LA150TD, Revision 1, dated August 18, 2016, or later FAA approved revision.

Limitations and Conditions:

1. Compatibility of this modification with other FAA approved modifications, on this aircraft being altered, must be evaluated by the installer.
2. FAA Approved Supplemental Flight Manual for Cessna 150 D and E equipped with conventional Landing Gear, Rev. Orig., dated August 18, 2016, or later FAA approved revision, is a required part of this modification for models 150 D and E only due to weight limitations.
3. A copy of this Certificate must be maintained as part of the permanent record of the modified aircraft.
4. Instructions for Continued Airworthiness see, “Conversion Procedure for Installation of Cessna 140 Conventional Landing Gear on Cessna 150 Aircraft,” Control Number 150TD, Revision 1, dated August 18, 2016, or later FAA accepted revision.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 27, 1997

Date reissued:

Date of issuance: April 13, 1998

Date amended: August 19, 2016

By direction of the Administrator
