

Supplemental Type Certificate

Number SA2700NM-D

This Certificate issued to United Air Lines, Inc.
600 Jefferson Street
Houston, Texas 77002

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (For Special Conditions see Type Certificate A22WE.)

Original Product Type Certificate Number: A22WE

Make: Boeing

Model: DC-10-30

Description of Type Design Change: Cabin configuration changed to accommodate 40 first class and 230 coach passengers. Crew rest facility located forward of Door 2 RH and closet located at Door 2 LH will be removed in accordance with United Air Lines DAS-1-WE Approved Drawing List #2700 dated October 26, 1984 or later FAA approved revisions.

Limitations and Conditions: The approval of this change in type design applies basically to DC-10-30. The approval does not extend to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
