Supplemental Type Certificate

ST2258RC-R JK

Number SR09363RC

This certificate issued to

Bell Training Academy
% Bell Helicopter Textron, Inc.
3000 South Norwood Blvd.
Hurst, TX 76053

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: H2SW
Make: Bell
Model: 407 S/N 53355

Description of Type Design Change: Compatibility of Aero Dynamix lighting system and filters as installed in accordance with STC SR09350RC with Litton M949 Night Vision Goggles (NVGs).

Limitations and Conditions: This modification is limited to Serial No. 53355 only. STC SR09350RC must be installed. Bell Helicopter Textron, Inc. NVG Special Operations Course, Document 001, Revision 1, dated July 9, 2003, or later FTW-AEG approved revision is required. Operation is limited to Bell Helicopter Textron, Inc. conducting 14 CFR 141 training. Rotorcraft Flight Manual Supplement (RFMS), dated July 9, 2003, or later FAA approved RFMS is required. The Night Vision Goggles (NVG) listed in the RFMS and in FTW-AEG operations and training documents have not been approved by this STC. Compatibility of this design change with previously approved modifications must be determined by the installer. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 23, 2003

Date reissued:

Date of issuance: July 09, 2003

Date amended:
