Supplemental Type Certificate

Number **SA2680WE**

This certificate issued to:

Hawker Beechcraft Corporation
9709 E. Central
Wichita, KS 67206

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations. (See Type Certificate Data Sheet 3A20.)

Original Product - Type Certificate Number: 3A20

Make: Beech Aircraft Corporation

Model: E90

Description of Type Design Change: Category II approval of the airborne instruments and equipment in accordance with Advisory Circular AC 91-16 Attachment 2, when modified in accordance with STC No. SA2667WE and in accordance with Sperry Drawing No. 4014123, dated January 12, 1973. FAA approved AFM Supplement dated May 23, 1973 is required.

Limitations and Conditions: The approval of this change in type design applies basically to Model E90 airplanes only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
