

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST01742AT

This certificate issued to

AAE, Ltd.
P. O. Box 1117
Blue Springs, MO 64013

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number:

A3WE

Make:

Boeing

Model:

FAA Approved Model List (AML) No. ST01742AT, dated May 11, 1999, or later FAA approved revisions, for the list of approved aircraft models.

Description of Type Design Change:

This modification approves the installation of a smoke detection and fire suppression system in the lower cargo compartments in accordance with AAE, Ltd. Approved Model List (AML) No. ST01742AT, dated May 11, 1999, or later FAA approved revisions.

Limitations and Conditions:

This installation must be accompanied by the appropriate AAE, Ltd. Airplane Flight Manual Supplement (AFMS) listed on the attached FAA Approved Model List, dated May 11, 1999, or later FAA approved revisions. Compatibility of this design change with previously approved modifications must be determined by the installer. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 12, 1998

Date reissued: March 6, 2001

Date of issuance: November 2, 1998

Date amended:; May 11, 1999
