

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA220SO

This certificate issued to Wings Unlimited, Inc.
25900 College Blvd.
Olathe, KS 66061

*certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part * of the Regulations. * Same as that for the basic model airplane*

Original Product -- Type Certificate Number: See Attached
Make: Continuation
Model: Sheet

Description of Type Design Change:

Installation of Gasser Tow Bar, Release Mechanism, and Safety Tow Link in accordance with drawings listed on the Continuation Sheet which is a part of this Supplemental Type Certificate.

Limitations and Conditions:

The approval of this change in type design applied basically to those aircraft models listed on the attached Continuation Sheet only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse affect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : 7 June 1962

Date reissued : 22 January 1971, 9 February 1971
3 October 2011

Date of issuance : 2 August 1962

Date amended : 8 July 1963, 23 September 1963,

By direction of the Administrator
