Supplemental Type Certificate

Number SA2153NM

This certificate, issued to:

**Heath Tecna Inc.
3225 Woburn Street
Bellingham, WA 98226**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Aviation Regulations.

Original Product—Type Certificate Number: A6WE
Make: McDonnell Douglas
Model: DC-9-51

Description of the Type Design Change: Installation of the Extended Spacial Concept Interior (ESCI) Retrofit Kit in accordance with Heath Tecna Drawing List No. HPD-DL-22, Revision B, dated October 31, 1983, or later FAA approved revisions.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement, along with the required placarding, has not been evaluated and is not part of the STC. A copy of this shall be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
