

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST00788SE

This Certificate issued to LiveTV LLC
700 South Babcock St., Suite 300
Melbourne, FL 32901

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations*
14 CFR 25.1419 (b)

Original Product Type Certificate Number: See attached AML No. ST00788SE

Make: Airbus Industries

Model: See attached AML No. ST00788SE

Description of Type Design Change: Installation of satellite television system in accordance with Flight Structures, Inc. Master Drawing List (MDL) 99FS933-D01, revision B, dated March 13, 2000, or later FAA approved revision; or FAA approved LiveTV MDL listed in AML No. ST00788SE, revision IR, dated December 3, 2002 or later FAA approved revision.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and other previously approved modification will introduce no adverse effect upon the airworthiness of the aircraft. A copy of this certificate and the MDL specified above must be maintained as part of the permanent records for the modified aircraft. Weber Aircraft, Inc. STC ST09498AC must be installed prior to or concurrently with this STC. The STC holder will provide a written permission statement to each person it authorizes to use this certificate to alter this product.

The airplane must be maintained in accordance with Flight Structures, Inc. Supplemental Instructions for Continued Airworthiness – Live TV installation on a Jet Blue A320-200 Aircraft, Document Number 99FS933-D86, including the FAA approved Airworthiness Limitations Section 3, Revision B, dated March 15, 2000, or later FAA approved revision.

Additional Instructions for Continued Airworthiness data for specific aircraft are contained in the MDL listed in AML No. ST00788SE.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
