

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST02315AT

This certificate issued to United States navy
Naval Air Systems Command
Commercial Derivative Aircraft Program
46990 Hinkle Circle, Bldg 419
Patuxent River, MD 20670

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations.

Original Product - Type Certificate Number : A6WE
Make : McDonnell Douglas
Model : DC-9-32

Description of Type Design Change: Installation of installation of a digital cockpit voice recorder, digital clock, annunciator dim/test unit, additional flight data recorder parameters, and upgrades to the high frequency radio system and intercom system in accordance with Lockheed Martin Master Drawing List C9B-99-054, Revision C, dated February 28, 2000, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determine by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. Airplane Flight Manual Supplements C9B-99-045 and C9B-99-048, both dated April 18, 2001, are required parts of this STC.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : August 02, 1999

Date reissued : November 26, 2007

Date of issuance : April 18, 2001

Date amended :

By direction of the Administrator
