Model:

Description of the Type Design Change:

Installation of sunvisor assembly part number 1381000 in accordance with Rosen Sunvisor Systems, LLC Master Drawing List (MDL) referenced on the attached AML, or later FAA-approved amendments.

Limitations and Conditions:

Approval of this change in type design applies to the aircraft models listed on the attached AML. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate and Rosen Sunvisor Systems, LLC FAA approved MDL must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
